Hello Mavericks,

Recently one of the fellow Mavericks wrote about his story and a different perspective on COVID.

The views expressed in this document may not reflect those of Mavericks but it is a good food for thought.

The document will be published on www.mavericksproject.org. Meanwhile, here is a direct link to the document: https://mavericksproject.org/wp-content/uploads/2024/04/Covid-alternative-explanation.pdf.

Enjoy!

Regards,
The Mavericks Team
